

BACKGROUND  
SCREENING

# Make sure your schools are safe with backgroundchecks for schools.com

We understand that community support is vital to a successful and healthy learning environment. Limiting visitor access and eliminating volunteers is simply not an option . . . it is hard to tell by looking at someone if they may be a dangerous threat to your already safe school. Stop playing the guessing game.

Supplement your current background checks on teachers and staff with a **national criminal check**. It's instant and now you can know the truth with an added sense of security.

## Features & Benefits

- **Web Based.** Our user friendly web based platform makes ordering background checks easy and reliable. The easy to use website backed with our award winning customer service makes ordering background checks quick and pain less.
- **Affordable.** By understanding the financial constraints and the overall scrutiny of the Education industry, our industry experts designed a complete screening platform tailored for your needs. Save much more than money, save your good name.
- **Comprehensive.** Use our standard best-practices screening platform, or let our industry experts work with you to design a customized, comprehensive program to go above and beyond the regulation practices.
- **Fast Results.** So fast that it's instant, that way you don't have to wait long for results that you can trust. Move your institute into the forefront of background screening practices. See how easy it can be, sign-up and take the tour today.

## National Criminal Database:

With over 300 million sources, our National Criminal Database is clearly the most inclusive way to protect your students, faculty, and facilities. Already have a background screening policy and program? Compare your current program to the biggest database in the industry and see the difference!

## Sex Offender Registry:

Our Sex Offender Registry has information from 49 states plus DC, Puerto Rico, and Guam with photos of the offender. Screen for Sex Offenders first and save even more money by eliminating the most dangerous predators in the beginning without having to spend money on additional screenings.

## Did You Know?

Most school districts aren't implementing background checks on substitute teachers, volunteers, or visitors! Don't be yet another school to make national news because you aren't prepared.

Implement a background screening policy today! Set the standard with [backgroundchecksforschools.com](http://backgroundchecksforschools.com)
